Volunteer Experience

Total Hours: ~250

- Volunteer at Fawcett Memorial Hospital
 - Duties included discharging patients, transporting specimen, delivering items to patients, and directing visitors within the hospital.
- Volunteer at New Operation Cooper Street
 - Duties include tutoring fourth and fifth grade students in our local area and assisting with their various activities.
- Volunteer with Life Long Learning Institute Tech Team
 - Duties include teaching older citizens in our community how to use their various technological devices.
- Volunteer at various events, such as the Pet Rescue Festival, FSW's Annual Haunted College, construction builds with Habitat for Humanity, Intercostal Clean-up and numerous little service projects with Key Club.
 - Duties at these events vary, but basic duties include assisting in setup, parking, and clean up.

Extracurricular Activities

Vice President of Student Government Association

- Duties include coordinating Spirit Week, running school events, and helping to influence changes for the Junior Class regarding student life.

Treasurer of National Honor Society

- Duties include coordinating with event leaders to provide volunteer opportunities to members and keeping track of the budget. Also, we lead teams for volunteer projects in our local community.

Editor of Key Club

- Duties include updating the Key Club website and volunteering in various events throughout the year. Also, we coordinate fundraisers for a future trip to a leadership conference in Orlando.

President of SERV

- Duties include providing volunteer opportunities and encouraging a lifestyle that is dedicated to the environment.

Secretary of Science National Honor Society

- Duties include volunteering at events and bringing in guest speakers to discuss the future of their field in science.

Member of Spanish Club

- Duties included fundraising efforts that helped us travel to St. Augustine. This trip allowed us to better incorporate culture into our Spanish 3 class.

Competed on Academic Team

- Being a member of A-Team includes competing with other high schools in Lee and Charlotte County in a trivia game with academic subjects, such as Literature and Science.

Competed with Ethics Bowl Team

- Our team competed against other schools in a discussion based competition that questions the ethics of modern issues.
